**Cardinal Golf Club** stands behind the many social and health benefits gained through participation in the game of golf. Golf is easy to learn and can be enjoyed for an entire lifetime. **That's what makes golf the #1 participation sport in Canada.** It's inclusive, welcoming of all skill levels, it promotes respect both on and off the course and has low risk of physical injury compared to many other sports. Mini-Putt is often the first introduction to the basic principles of golf.
